

Prayer for a Wedding or an Engaged Couple

Heavenly Father,

your first covenant was with our first parents.

Adam and Eve were made to love each other,

and their fruitful covenant lasted throughout their lives.

When Christ first made his power known to the world,

he chose a wedding at Cana for his first miracle.

In Christ's love for the Church

the model for married love is revealed for all to see.

Lord, please be with this man and woman today,

as they begin their life's journey together.

Let their love be as that of our first parents,

and give their union the blessing of Christ's mercy.

May their joy be as great

as our union will be with our Father in Heaven.

Amen.
