A NOTE FROM FR. JULIAN

Dear Brothers and Sisters in Christ,

I wanted to take this opportunity in my article this week to express my great appreciation for each and everyone of you in our four-parish community. As you have likely heard, the Lord has called me to begin a new assignment in the Webster area Community beginning on July 1st. This is a wonderful community of three parishes in Burnett County: St. John the Baptist in Webster, Sacred Hearts of Jesus and Mary in Scott, and Our Lady of Perpetual Help in Danbury. It has been a great joy for me to serve you here over the course of the past three years. God has blessed me with a great first placement and I cannot be more thankful to Him for that.

It is challenging for me to accurately sum up everything that I have learned and experienced over the course of my time here, but I can assure you, the Lord's hand has been there for me through it all. Our community is truly blessed, and the gifts that I have received from my ministry are too many to count. The priesthood is truly a gift from the Lord that is beyond measure, and although it requires daily sacrifice and self-gift, the fruits of this life are abundant.

One of the great gifts of the priesthood that has captivated me from the beginning is that I get to be a small part of God's encounter with His people each and every day through the sacraments. From the daily celebration of Holy Mass, to the celebration of a newborn's gift of Baptism, to offering the sacraments to the dying in their final moments of life, I get to be there with the Lord when He pours out His gifts through Holy Mother Church. So often I have been overwhelmed by this incredible reality, that God is never outdone in generosity. We need to return constantly to the fact that God is truly abundant in His presence in the Church and His invitation to become one with Him in the Faith is so true.

I want to urge you to continue to drink from the wellspring of salvation: encountering the person of Jesus Christ in the beauty of His sacraments. Jesus is so truly present in the gift of the Holy Eucharist, in His infinite mercy in the sacrament of reconciliation, and in each of the sacraments. Continue to seek the Lord there, to pursue holiness as our daily task, and remain faithful to the Lord in prayer who is always faithful to us. May the Lord bless you and keep you; may the Lord make His face shine on you and be gracious to you; may the Lord turn His face toward you and give you peace.

In Christ, Fr. Julian Druffner.

HOLY ROSARY SCHOOL NEWS

"EACH STUDENT MATTERS, EVERY MOMENT COUNTS,
CHRIST IN THE CENTER"

Here is what Holy Rosary Students
have to say about the school!!

"My favorite activities to do at Holy Rosary were making slime, watching movies, going to Mass, and going on field trips. I will miss Holy Rosary, because of the small class sizes, the friends I made, and learning about Jesus. In conclusion, I will always remember Holy Rosary School as my favorite school!"

"I'm glad I came to this school. It taught me a lot. I did not know what a saint was before attending Holy Rosary. It is fun talking to the priests. I really wish there were more grades in Holy Rosary!"

ENROLL AT HOLY ROSARY SCHOOL

Graduates of Our Lady of the Holy Rosary Catholic School will strive to become models of their faith, excel academically, bolster the community, and foster exemplary character.

Holy Rosary is open to students in PreK 3 through 6th grade.

Happy 4th of July

250 years ago, some brave individuals risked everything to form our Country.
In Congress, July 4, 1776-*The unanimous Declaration of the thirteen united States of America,*
*When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's **God** entitle them,*
*a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. We hold these truths to be self-evident, that all men are created equal, that they are endowed by their **Creator** with certain unalienable Rights, that among these are Life, Liberty and the Pursuit of Happiness*

The men who signed the Declaration of Independence became wanted men for committing treason against the King. Today our world seems to be facing so many challenges.

The people of the 13 Colonies risked their lives to start the United States of America.

As we celebrate our 250th birthday, let's remember all the people who sacrificed for our freedom. We need to have the same determination to keep our country moving forward.

Enjoy the cookouts, fireworks, food, and friends, be safe. God Bless America!

This is the week for Totus Tuus

Thank you to everyone who volunteered to help.

Students can still sign up on the first day of Totus Tuus. Grades 7 to 12 start on Sunday, July 5, at 6:30pm. Grades 1 to 6 start on Monday, July 6, at 9:00am.

Snacks for each day

Each day, we provide snacks to the students. We are looking for people to make/donate snacks. You could bake cookies, cupcakes, Rice Krispies bars, etc, or purchase snacks. We have about 50 students in the day program.

Please bring snacks to the parish office on any day of the week

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Faith Like a Child

If you Google Search recommendations on how to raise generous children, almost every list of ideas begins with — or at least contains — the directive for adults to be good models of generosity themselves. Our children learn from our actions much more than from our words. Of course, when I think back over the years while my children were growing up, I think I may have learned as much from them as they learned from me. There is a time between early childhood and middle school where a child seems to be freer to give and share than at any other time in life. It is around the age of First Communion when the cries of “mine” turn to laughter and smiles, and the urge to be a part of something bigger than oneself leads to sharing. Before you know it, the child hits the pre-teen years, and once again, he or she becomes the center of the universe.

I believe that the previous paragraph is all true, however, the stages described seem to repeat themselves throughout adulthood. Don't you agree? Sometimes we fall into seeing ourselves as the center of the universe, or we become consumed by our state in life or with what we have acquired. Also, we at times are generous and loving people. It is sin that draws us back into ourselves and away from any meaningful life of stewardship and generosity. In order to be freed for love, we need role models to help us see what really matters. We need to reflect on the example of many of our brothers and sisters in Christ. And, yes, we need to look to children who may be at the point in their lives where sharing is fun, and love is something in abundance.
