A NOTE FROM FR. PATRICK

As a **One Family Catholic Community**, we have been blessed with beautiful churches and parish buildings that have served generations of faithful Catholics. These buildings are more than bricks and mortar—they are places where we encounter Christ in the Eucharist, celebrate the sacraments, teach the faith, and gather as God's family. Caring for them is an important part of our responsibility as Christian stewards. I would like to provide an update on several projects taking place throughout our four parishes.

Good Shepherd Parish is in the process of remodeling the St. Francis Shrine. The project includes refreshed landscaping, beautiful new statues, a Rosary Walk, and new lighting that will allow this sacred space to be enjoyed both day and evening. The total cost of this project is approximately \$20,000.

Sacred Heart Parish has recently completed replacing the roof over the sacristy and candle room. We have also installed a new air-conditioning system, which is still being fine-tuned and recalibrated to provide the best comfort and efficiency. These improvements total approximately \$88,000. We are also working with trusted contractors to assess other significant building needs so we can plan wisely for the future.

Our Lady of Perpetual Help Parish will soon begin replacing the roofs on the church, social hall, and outbuilding with durable steel roofing, along with replacing the church's small steeple. The total cost of this important preservation project will be close to \$100,000.

Holy Rosary Parish has completed the final phase of our previous capital campaign by installing new landscaping in front of the church at a cost of approximately \$17,000, funded from the remaining campaign donations. Even after this final expense, our campaign account still holds more than \$300,000. This not only fully reimburses the parish's original campaign expenses of approximately \$265,000, but also leaves funds available to help meet future building needs. In addition, we have now begun another major project: replacing the roofs on the church foyer, social hall, and school, at a total cost of approximately \$311,000.

I want to express my sincere gratitude to everyone who has generously supported these projects through your prayers, financial gifts, volunteer efforts, and encouragement. Your generosity allows us to preserve these sacred places not only for ourselves, but for future generations who will worship, learn, and grow in faith within these walls. In this Sunday's Gospel, Jesus tells the Parable of the Sower. The seed falls on different kinds of soil, but when it lands on rich soil, it bears fruit "a hundred or sixty or thirtyfold." The many improvements taking place across our parishes are one visible sign of that fruitful harvest. Your faithful stewardship has enabled us to care for the gifts God has entrusted to us so that our churches remain welcoming places where the Gospel can continue to be proclaimed, the sacraments celebrated, and disciples formed for many years to come.

Thank you for your continued generosity, your trust, and your commitment to our One Family Catholic Community.

May God bless you abundantly for the many ways you help build up His Church.

HOLY ROSARY SCHOOL NEWS

"EACH STUDENT MATTERS, EVERY MOMENT COUNTS,
CHRIST IN THE CENTER"

Here is what Holy Rosary Students
have to say about the school!!

"My favorite activity we do during the school year is playing bingo with BRI. My favorite book that we read was "the westing game," because all the parts hit me. My favorite class is definitely Science, because Mrs. Beyer always has fun things to do. I always enjoy working with Mrs. Mann because we talk about baseball and we always laugh and make jokes. Everytime I think of Holy rosary, I'll remember it by all the nice kids and teachers."

" Second grade was my favorite year! Mrs. Swan was my favorite teacher! Whenever it was someone's birthday we got to make slime, paint nails, and play with Legos! We also had student of the week! We played ukuleles, had a water balloon fight, watched movies, and had so much fun!"

Everyday Stewardship

Over the years I have wasted a lot: a lot of money, a lot of time, and a lot of talent. Sometimes I didn't realize I was wasting these things but, after reflection, I realized I could have done more and accomplished much greater things. Of course, I think that is part of our imperfect humanity. It truly is easier for us to waste our gifts than grow them into something more.

The parable of the sower speaks about the word of God that gets planted in our hearts. If the soil of our heart is rich, then the word will grow and change us. If that soil is rocky or full of weeds, the word will lie there without any impact, bearing no fruit.

This parable can be applied to living a stewardship way of life as well. As sowers, we have been given the seeds of our time, talent, and treasure. We have a choice of where to plant these gifts. As good everyday stewards, we are called to plant them wisely and prudently. Oftentimes it is not enough to simply give away what we have. We need to discern the best places to sow these gifts so the maximum harvest can grow. This takes prayer, reflection, and study. Without a solid discernment process, we can find ourselves sowing seeds endlessly without much to show for it. But joyful is the person who has used one's gifts wisely, for the bounty of the harvest is great.
